The In-School Holiday Shopping Program
That's Fun For Everyone!

Dear Parents:

The holidays are near...and, as a special service, your school is sponsoring a Holiday Shopping Program! Your children will have the opportunity to choose on their own...high quality, inexpensive gifts for family and friends.

The Holiday Shopping Program is set up in our school, and will be run by parent and grandparent volunteers. The gifts range from pocket change to \$15.00...with most gifts costing under \$4.00.

Before the store opens, your child will bring home a special Budget Envelope...allowing you and your child to decide together how much should be spent on each gift.

This Holiday Shopping Program is designed to be a safe, child-centered environment where children can learn how to budget and spend wisely...and experience the gift of giving.
